

# Use the enmacc platform to register trades with **HUDEX** for clearing via **KELER CCP**

Summer 2022

# How can you benefit?

- Negotiate bilateral trades and give up the trade for clearing on enmacc **without requiring open credit lines** or framework contracts from individual counterparties
- Give up the trade for clearing with no more dependency on intermediaries, and with **no extra workload** for your back office
- Trade cleared, with the option to stay **anonymous** throughout the trading process

# To benefit **immediately**

You need to be a **direct member of HUDEX (KELER CCP)**

**Sign** our financial annex and complete our financial KYC procedure

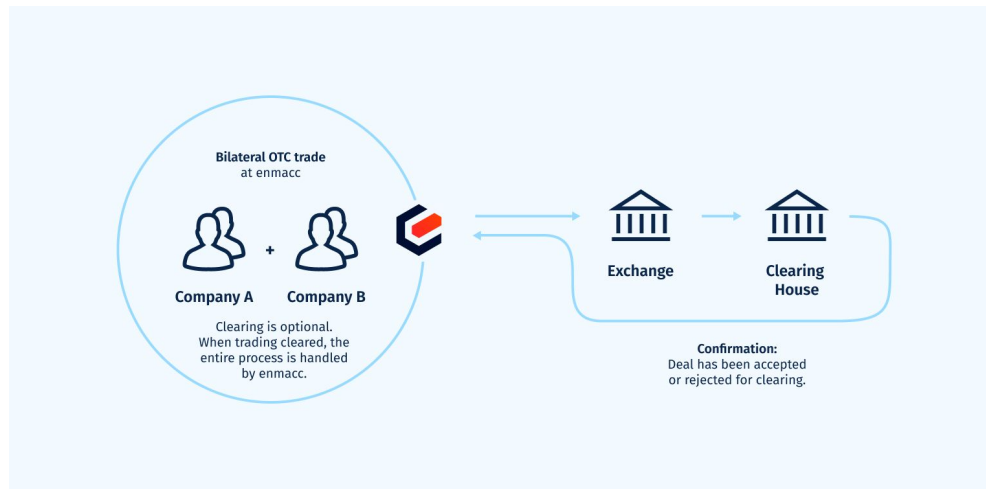

**Share** your:  
HUDEX User Account Number

**Start trading!**

# Process of **clearing** on enmacc platform

Once a trade is complete, **we will register it** on your behalf with HUDEX.  
At all times, the clearing status of the deal will be **visible on the platform**.

We are **registered with HUDEX** as broker (non-trading broker)

**NO additional fees** for cleared trades on enmacc

Standard clearing fees charged by exchanges / clearing houses remain (subject to individual arrangements)

## Tradable products

**Gas**

- **MGP (HU)**
